MEN'S ADVENTURE WEEKEND

This past weekend we had a group of men from Kadoma Baptist church for a Men's Adventure Weekend. Many wanted to cancel the weekend because of the increase in violence and the chaos that is reigning in the country right now. However, it ended up being exactly what the men needed. Many of the men arrived at camp completely exhausted from living in fear and uncertainty. At the end of the weekend every man stood up to make a commitment to purity, integrity and testimony. It was a powerful time of renewal and encouragement.

VOLUNTEERS FROM TENNESSEE

Earlier this month we were thoroughly blessed with 11 energetic and encouraging servants.

Many Zimbabweans were amazed by their courage to come to Zimbabwe in this time of uncertainty. They ministered to kids, to a ladies group, to orphans and most especially to us and our staff. One of John and Sue Dees focuses for the trip was to pray and pray and keep praying. They covered the whole property and our family in prayer which was so powerful. We were certainly reenergized by their visit.

ZIMBABWE SITUATION

Re-elections took place this week. However, the opposition pulled out of the running due to the dramatic increase of violence. In the past week the brutality and absurd abuse has gotten out of control. We are now seeing it all around us. The US embassy here advised us to relocate for a time so we are in Botswana for the next couple weeks. There are a couple schools there that want to set up some camps with us so we will use this time to organize those camps.

1. Please pray for protection for us and our staff.
2. Please pray for a return to peace and sanity in Zimbabwe.
3. Please pray that we receive clarity of vision for the way forward with regards to Lasting Impressions.

Thanks for your support!!!
